HONORING THE 2015 LAND CONSERVATION AND TREE PRESERVATION AWARD RECIPIENTS

HON. GERALD E. CONNOLLY
OF VIRGINIA

MR. CONNOLLY: Mr. Speaker, I rise today to recognize the recipients of the 2015 Fairfax County Land Conservation and Tree Preservation and Planting Awards.

Fairfax County is considered one of the best counties in the nation in which to live, work, and raise a family. One reason for this designation is the innovative environmental protection policies that have been implemented by the County and embraced by its business partners, an effort I was pleased to have led during my tenure as Chairman of the Board of Supervisors. Each year Fairfax County's Department of Public Works and Environmental Services and its Urban Forest Management Division honor those in the construction industry who have demonstrated exceptional construction practices and stewardship of the environment.

I am pleased to enter the names of the 2015 honorees into the Congressional Record:
